### **Authorized Service Centres:**

As our service network grows with our company, the following policy is in place to ensure our customers needs are met in the best possible way.

Warranty work is to be done at a preferred authorized Platinum Trailers Mfg. service centre, unless you are located outside a reasonable service distance. A local provider may be used, subject to approval and authorization by Platinum Trailers Mfg.

Please contact us to get the most recent list of our authorized warranty service providers across Canada.
